

The Joker Draw

Tickets to be purchased before each draw cost R20.00 per ticket, and if the JOKER is drawn, the minimum pay-out will be R10,000.00, increasing incrementally in accordance with the Rules.

Also, please note that you can purchase tickets for the draw throughout the week Saturday to Friday from the Pro Shop.

You may elect a proxy to be present at the Friday night draw. This proxy must be noted on the actual ticket reading.

Ticket holder - Joe Soap

Proxy - Mike Soap

Either party needs to be present at the actual draw.

Please note that the Rules governing the JOKER draw are set below and will also be publicised in the Clubhouse. If you have any queries, please direct same to the General Manager at the above email address.

RULES OF THE WANDERERS GOLF CLUB JOKER DRAW

1. A full deck of 52 (fifty two) cards plus 1 (one) JOKER, shuffled publicly, but unseen, are placed face down in a locked card cabinet located in the bar and each week entry tickets are sold. No one knows the position of the cards.
2. Tickets are available for purchase from the duty barman at a cost of R20.00 per ticket. Your name should be written on each ticket purchased, and the ticket(s) then placed in the locked box, adjacent to the card cabinet.
3. Draws take place on a Friday at 18h15 (except where circumstances do not permit) and one name is drawn from that week's entries.
4. The lucky participant whose ticket is drawn gets the chance to select 1 (one) card from the board. If the JOKER card is selected, then the participant wins the Jackpot total prize pool at that time, the quantum of which will be announced before the draw. The minimum JOKER prize pool will be R10,000.00. The cards will be re-shuffled and again pinned to the board after the JOKER has been drawn.
5. If the JOKER is not drawn, the chosen card is pinned back on the board, face up, and this will be repeated until the JOKER is ultimately drawn. The participant will receive a complimentary R500 (Five hundred Rand) Club voucher, redeemable by crediting you Club account or making a food and/or beverage purchase at the Club. No change will be given against redemption of the voucher. The JOKER total prize pool and the money from tickets sold during the week carries over to the JOKER prize pool draw for the following Friday.
6. If the participant whose ticket is drawn is not present at the time of the draw, a re-draw will take place 2 (two) minutes after the first draw.
7. New tickets are sold over the next week for the following draw and another draw takes place the following Friday and so it continues. Entry tickets sold are only valid for that week's draw.
8. 50% of the proceeds from ticket sales will accumulate to the JOKER prize pool, and the other 50% will accumulate to Wanderers Golf Club fund raising, for utilisation at the discretion of the Committee.

Please note: Tickets must not be folded or tampered with. Folding and tampering will result in tickets being removed from the draw.
